Superintending Engineer,
Karnatak Irrigation Circle.

RLG.

Very urgent.
No. G-55

Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar, 17 Aug. 1950.

To

The Superintending Engineer,
Southern Circle,
Belgaum.

Subject: Re-employment of retired or superannuated subordinates in the Karnatak Irrigation Circle.

Reference: Government Circular (Finance Department) No.7983/33, dated the 19th July 1950.

2. The following four superannuated subordinates have been in re-employment in this Circle:-

1) Shri.A.H.M.Deshpande, Overseer.
2) Shri. C.R.Chandrashekharaya, Overseer.
3) Shri. G.N.Sunthankar, ~~Overseer~~ Clerk
4) Shri. H.K.Kulkarni, ~~Overseer~~ Clerk.

3. According to the orders contained in the Government Circular referred to above, re-employed pensioners are not to be continued in service save under exceptional circumstances. The subordinates at Serial Nos. (1) and (2) above are experienced and well conversant with Minor Irrigation Works in the Dharwar Irrigation Division. Termination of services of these overseers abruptly without being replaced by equally good and experienced subordinates would cause great inconvenience and handicap to the work in that Division, which is entrusted with the execution of top priority works in connection with the Grow-More-Food schemes.

4. I would therefore request you to transfer the following two overseers with irrigation experience, in your Circle to this Circle, as early as possible:-

1) Shri. G.R.Shenvi
2) Shri. V.D.Lingnurkar

Until such time, the above two overseers in your Circle are not made available to this Circle, it would not be possible for me to consider the question of termination of services of Shris. A.H.M.Deshpande and C.R.Chandrashekharaya, re-employed overseers in this Circle.

5. As regards the remaining two cases namely that of Serial Nos. (3) and (4) in para 2 above, I have already brought to your notice more than once (vide correspondence ending with this office letter No.G-43 dated 3-8-1950) the necessity of posting senior Clerical hands to this Circle as early as possible in the interest of Government work. As this Circle is already working short of senior and experienced hands, it would not be desirable to dispense with the services of two experienced superannuated clerks in this Circle. As soon as senior clerks from the Southern Circle are transferred to this Circle, the services of Shri. H.K.Kulkarni, Sub-Divisional First Clerk in the Dharwar Irrigation Division will be terminated. I however consider that it would not be possible to dispense with the services of Shri.G.N.Sunthankar, re-employed clerk in the Ghataprabha Left Bank Canal Division as he is considered as irreplaceable

in.....

in that Division at this stage in view of his varied experience in the P.W.D.office working and his ability to train junior hands.

Copy forwarded with compliments to the Secretary to Government, Public Works Department, Bombay-1, for information.

2. Shri. G.N.Sunthankar, retired as First Clerk from the Southern Circle in May 1948. He is a valuable asset to the Divisional office at Ghataprabha as he is found useful in training raw and inexperienced clerical staff in that office. For this very reason, I could not spare his services to the Executive Engineer, Southern State Transport Division, Belgaum, who had specially asked for his services in his new office. It is therefore proposed to continue the re-employment of Shri.Sunthankar till we get sufficient hands trained.

2. The endt. letter from the S.E., Karnatak Irrgn. Circle, is self-explanatory. In view of the varied experience the S.E. has proposed to retain in service Shri G.N. Sunthankar, retd. First Clerk from the S.C., as clerk in the Ghatprabha Left Bank Canal Dn. till he gets sufficient hands trained. The S.E has not reported the period upto which he proposes to retain Shri Sunthankar in the services. He may be therefore be asked to report the same.

3. Further developments regarding the transfer of Overseers may be awaited. So far as the transfer of clerks is concerned, the S.E., S.C., has separately informed

Reference: Your No.G-55 dated 17-8-1950.

2. There is a shortage of experienced overseers in this Circle as well. The senior overseers are acting as Deputy Engineers and the cadre is made up at present of a large number of suboverseers. Moreover, the staff required for the Dharwar Irrigation Division was spared as per personal discussion on 30th March 1950 and the maximum that could be sparedhas already been spared. I regret, therefore, it is not possible for me to transfer the two overseers to your Circle without detriment to my Circle work.

3. As for a senior clerk, your requirement will be considered when the retrenchment orders are received. "

Copy forwarded with compliments to the Secretary to Government, Public Works Department, Bombay ~~infor~~ for information with reference to the correspondence ending with this office letter No.G-55 dated 1-9-1950.

2. Until such time two overseers with Irrigation experience are not made available for transfer to this Circle from the Southern Circle, vide this office No. G-55 dated 17-8-1950, it will not be possible for me to terminate the services of the two superannuated overseers who have been re-employed in the Dharwar Irrigation Division.

3. Similar is the case of transfer ~~x~~ of Senior Accounts Clerks and Senior Clerks from the Southern Circle, ~~xkx~~ for want of whom the work in this Circle is suffering, as has already been brought to the notice of Government more than once, vide correspondence ending with this office No.G-43 dated the 4th Sept.1950.

4. It would therefore seem undesirable in the interest of work, to allow this state of affairs to continue for indefinite period of time. The matter is, therefore, brought to the special notice of Government again.

3. In this connection it may be stated reorganisation and retrenchment Orders which are to be issued shortly will materially affect the present set up of that Circle. A number of Overseers are likely to be relieved from almost all Circles and it would be possible to find some

(ii)Kar. Irrign. Circle. - Shri A.H.M Desspande and Shri C.R. Chandrashekharaya, Overseers, are over 60 yrs. of age at present They are experienced and well conservant with the Minor Irrign. works in the Dharwar Dist. The S.E., K.I.C., reported that the abrupt termination of the services of these qualified persons without replacing them by suitably experienced hands would handicapt the important and popular work viz. "Grow More Food Campaign". The S.Es., S.E. (P. 37 ante) and D.I.C. (P. 149 ante) have reported their inability to spare the services of suitable hands as their respective Circles are suffering from shortage of suitable trained overseers. In the circumstances, and as these two Overseers are at present engaged with executing important work, Govt. may propose their retention till the 31-12-51. or till suitable candidates are available, whichever is earlier. The S,E., K.I.C., may if appd. be informed that under no circumstances further extension would be granted and in the meantime he shd. train suitable persons to replace them.

Government has lunched a special programme of M.J. Works out of Rs. one crore loan made available by Govt. of India. There is large number of works in Dharwar Irrigation to be completed before 31-3-52. Services of these two very experienced Overseers may therefore be allowed to be retained as a special case till 29-2-52, in the interest of this importance programme for growing more food.

The S.E. may however be told that no further extension will be granted on any ground.
